

THE BEST JUST GOT BETTER!

INTRODUCING
OUR NEW LINE OF
CASEMENT, AWNING
& PICTURE WINDOWS.

ENHANCING THE BEAUTY AND VALUE OF YOUR HOME.

Since 1985, North Star has been committed to building windows that our customers can be proud of for years to come – and our new line of casement, awning and picture windows continue that tradition. Brilliantly designed to enhance the beauty and value of an older home or integrate perfectly with a newer home, North Star's new line of windows feature a new contoured design with increased viewing area, improved functionality and greater energy efficiency than ever before.

CASEMENT

Featuring maximum versatility and ventilation for a wide variety of applications, North Star's new casement windows feature our ergonomic new locking system and innovative EZ-Screen design.

AWNING

Perfect for increasing ventilation and natural light in kitchens or over doors, our new awning windows feature improved aesthetics as well as the energy-efficiency and durability you expect from North Star.

PICTURE

North Star's picture windows have always given you a window to the beauty of the natural world – and now with a new contoured design and increased viewing area, the view from inside is more beautiful than ever.

STYLE AND BEAUTY INSIDE AND OUT.

North Star's new line of windows features an increased viewing area combined with contour glazing, miter-cut corners and a stepped frame to create a sense of interior spaciousness and beauty. Outside, the new black weatherstripping helps keep the windows looking like new all year round.

MORE ENERGY EFFICIENT THAN EVER BEFORE.

Every North Star window features S Class Super Spacer construction for quiet, energy-efficient performance as well as Low-E glass to minimize heat loss in winter and heat gain in summer. For even better performance, our windows can also be ordered with optional triple-glazing, Argon gas or Krypton gas.

NEW EZ-SCREEN

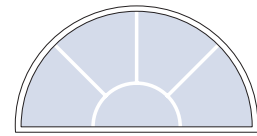

North Star's innovative new EZ-Screen features a completely hidden retention system and smooth edges that won't snag on draperies. Best of all, it makes removing the screen incredibly easy – just push-down and pull-out!

OAK INTERIOR FINISH

Enjoy the warmth of an oak interior finish with any of North Star's new line of windows. Made with a durable PVC laminate that is virtually indistinguishable from real wood, our oak interior finish is available in combination with white or hickory exterior finish for a strikingly beautiful look inside and out.

COLORS

North Star's new line of casement, awning and picture windows are available in five colors: white, ivory, hickory, chestnut brown and sandalwood. With UV-resistant acrylic overlays and an embossed wood-grain texture, these stylish colors help make our new windows as beautiful as they are durable.

Due to variations in the printing process, the colors shown may not be exact. Ask your North Star dealer to show you an actual color sample. E.&O.E. Specifications are subject to change without notice.

We back every window with a transferable, limited lifetime warranty.
